## Description of the target market

### Description of target market, including likely objectives, financial situation, and needs of borrowers within the target market:

The features of this product have been assessed as meeting the likely objectives, financial situation and needs of:

- consumers who are looking for funding to purchase an owner occupied or residential investment property and/or refinance existing debt and/or debt consolidation and/or equity release ("cash out") secured by residential property;
- consumers who are PAYG employed or who have been self-employed for more than 12 months (ABN registration of more than 24 months & GST registration of more than 12 months) and have no credit impairment history (paid defaults of up to \$500 may be considered);
- consumers who want the flexibility to make additional repayments at no additional cost; and want the option of either principal and interest or interest only repayments; and / or
- whilst variable interest rates may fluctuate, the product meets the likely objectives, financial situation and needs of consumers in the target market because it allows them to make additional repayments to reduce interest payable whilst retaining the ability to draw on those funds when required.

### Self-employed with limited financial information (Alternative Documentation)

This product also provides access to finance for consumers who are self-employed and have limited levels of information in relation to employment and income and are therefore unable to provide the financial information necessary to access a lower interest rate. Alternative income documentation may include Accountant Letter, business bank statements or Business Activity Statements (BAS).

### Classes of consumers for whom the product may be unsuitable

This product may not be suitable for consumers who:

- do not meet the eligibility requirements;
- are seeking the certainty of fixed repayments over the term of the loan;
- require a loan for construction purposes; or
- require a loan to finance the acquisition of a security property that is non-residential.

## Product description and key attributes

This product has the following key features

- Variable interest rate;
- Minimum loan amount: \$100,000;

# Target Market Determination

- Maximum loan amount: \$15,000,000;
- Maximum Loan term: 40 Years;
- Type of repayment available: principal and interest/interest only for up to 5 years for owner occupied; up to 10 years for investors, then reverting to principal and interest;
- Repayment frequency: monthly in arrears;
- Maximum LVR: 90% (Full Doc);
- Types of fees payable: establishment fee, valuation fee, risk fee, legal fees, monthly loan administration fee; offset account fee.
- Redraw where additional repayments above the required minimum repayments are available for the consumer to withdraw and use; and
- Option for sub-offset account in which available balances offset interest on the linked loan account.

## How this product is to be distributed

### Distribution channels

The product may be distributed to borrowers in the target market by:

- Mortgage Brokers subject to Best Interests Duty (BID) and related obligations, who are accredited to MA Money (either direct or via an approved aggregator), Accredited Mortgage Managers; or
- Direct to consumer - MA Money and related bodies corporate may distribute this product to consumers via an appropriately trained staff member.

### Distribution Conditions

The following conditions apply to the distribution of this product:

- brokers must comply with their legal obligations, which includes the best interests duty; and
- brokers, mortgage managers and aggregators must meet our accreditation or onboarding requirements which can be accessed by contacting MA Money on 1300 762 151.

The distribution channels and conditions are appropriate because:

- our distributors have been adequately trained to understand their DDO obligations;
- all applications submitted by mortgage brokers and mortgage managers must comply with our policies and procedures, including meeting the eligibility requirements for the loan;
- mortgage brokers, mortgage managers and aggregators must be appropriately authorised; and
- mortgage brokers are subject to a higher duty under BID to ensure that the product is in the best interests of the particular consumer.

## Target Market Determination Reviews

Review triggers

**The review triggers that would reasonably suggest that the TMD is no longer appropriate include:**

- A significant dealing of the product to consumers outside the target market occurs;
- A significant number of complaints (>15 complaints in a calendar month) are received from consumers in relation to their purchase or use of the product;
- There is a material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate;
- There are material changes to regulatory environment, including but not limited to the use of Product Intervention Powers, regulator orders or directions that affects the product;
- There are high default rates (90+ days in arrears), being the higher of either >5% or 10 loans for the product; and
